## Sessions

## Sessions Overview

**Project 1:1000** is a movement, a community, a resource, and an outreach program centered around the notion that “a picture is worth a thousand words.” We encourage and provide for the telling and sharing of the stories behind pictures, one thousand words at a time.

“Project 1:1000 Sessions provide what is essentially a structured, mentored, affirming, writing/accountability group.”

### SESSION MEETING CONTENT

### TECHNICAL ITEMS

#### INITIAL MEETING

[community]

- Introduction to Submissions\*  
(\* 1 picture + 1000 words)
- Introduction to Session  
(calendar, schedule, expectations)
